

# Understanding the Draws

The dates that are displayed on these screens are the closing dates for the rounds and are the last day that you are allowed to play the match on.

When you see " **1st ▲ Home** " detailed after the date between the names - this means that the **TOP** team of the two teams who have a match will be the **HOME** team. **(Challenger)**

When you see " **2nd ▼ Home** " detailed after the date between the names - this means that the **BOTTOM** team of the two teams who have a match will be the **HOME** team. **(Challenger)**
