9. YOUR DUTY TO MAKE A FAIR PRESENTATION (INSURANCE ACT 2015)

You have a legal duty following a reasonable search to make a fair presentation to disclose to an insurer, in a manner that is clear and accessible, every material circumstance which is known or ought to be known by your own senior management team, including those responsible for arranging the insurance and any agents acting on your behalf.

When conducting a reasonable search you should consider:

- the activities in your business,
- the risk they may pose to you and others
- who holds this information within your business
- ensure all relevant facts and circumstances are disclosed and presented fairly.

A material circumstance is a circumstance which would influence the judgement of an insurer in determining whether to take and insure the risk and, if so, on what terms.

If you do not, this may result in claims being rejected or not fully paid as well as the insurance being potentially cancelled at any stage of the policy including at inception (i.e. treated as if it never existed), depending upon the manner and extent in which you fail to comply with this duty.

This duty not only applies at commencement and renewal of the policy but also at any time during the period of insurance, including when making a claim. Therefore it is very important that you keep us informed.

If you are unsure what you should inform us of or require further information, then contact us to seek clarification. In the event of any future changes, do tell us about these as soon as possible in order to allow us to update your records and inform insurers.

10. RECEIVING INSTRUCTIONS FROM YOU

Where you are a commercial customer and a corporation or entity which is not a natural person, unless we are specifically advised to the contrary in writing, we will be entitled to assume that everyone within your organisation (which term for this purpose includes any parent, subsidiary or associated company) who actually gives instructions to us which we accept and act upon, has the requisite authority to do so on behalf of the organisation.

11. AWARENESS OF POLICY TERMS

When a policy is issued, it is important that you read it carefully as it is that document, the schedule and any certificate of insurance, which is the basis of the contract you have purchased. Seek our advice promptly if you are in doubt about any term or condition.

Adequacy of Sums Insured and Limits

At all times it is your responsibility to ensure that the sum insured values and policy limits are adequate and reflect current, continuing and future reinstatement/replacement costs. Whilst we may assist in establishing and maintaining insured values we cannot accept responsibility for their accuracy.

We strongly recommend where applicable that the appropriate professional (e.g. surveyor/accountant/valuer) be consulted to ensure that the sums insured under the policy are correct. We offer services to assist in this regard; do contact us for more information.

12. RETENTION OF DOCUMENTS

We may keep certain documents such as your insurance policy or certificate while we are awaiting full payment of premiums and/or fees. Should any documents be withheld, we will ensure that you are provided with full details of the cover.

You should also carefully check and keep copies of any documentation you receive from us for your records.

13. INCIDENTS & CLAIMS

Failure to immediately notify incidents or circumstances that could potentially give rise to a claim may invalidate your insurance cover and jeopardise the claim if submitted later.

Let us know immediately of; any incident or circumstance that could potentially give rise to a claim, adversely affect or increase the nature of the risk presented to the insurer.

If a third party is involved, contact us immediately for advice and to agree the appropriate course of action. Do not admit Liability without reference to us.

14. MONEY LAUNDERING / PROCEEDS OF CRIME ACT

UK Money Laundering regulations require us to obtain evidence of the identity of clients for whom we act at the start of a business relationship. Documentary evidence may be requested.

We are obliged to report to the National Crime Agency (NCA) any situation giving rise to a suspicion of money laundering and we are prohibited from disclosing any such report.

15. PAYMENT OF PREMIUMS

Premiums must be paid by the payment due date stated on our invoice, failure to do so may invalidate cover and entitle insurers to cancel the policy. If the premium remains outstanding after the payment due date, we reserve the right to charge interest at Barclays Bank base rate plus 3%. If we have not received the premium from you, we are under no obligation to pay the premium to the insurer on your behalf.

We will advise you if an insurer has imposed a condition which requires payment by a specific date. In this situation, we must receive cleared funds no later than 7 days prior to the payment due date to ensure that cover remains in force. Failure to comply will result in cessation of policy cover.

Consumer credit; where required our service to you also includes arranging credit to enable the costs of insurance premiums to be spread. If you do wish to pay your insurance premiums using an insurer instalment or a premium finance house facility, you must notify us of your intention prior to the date of commencement of cover and complete any documentation necessary as soon as reasonably practicable. Details regarding the applicable terms and conditions together with the charges will be provided by us and the credit provider.

How we make our selection; we will firstly assess your insurance needs and provide you with advice and recommendations regarding the most suitable insurance arrangement. Then we would arrange for the provision of the most appropriate insurer instalment or premium credit facility available to us to pay the insurance premium due.

16. PREMIUM PAYMENT BY CONTINUING INSTALMENTS

Where payment for the policy is by regular instalment, for example by direct debit, which is not restricted to a single insurance period, you give your consent to the policy being automatically renewed, without further reference to you, at the renewal date. This means that insurance will continue to be provided to you and you will be obliged to pay for such insurance, unless you specifically contact us before the renewal date to notify us that it is no longer required.

17. DATA PROTECTION & CONFIDENTIALITY

Information provided to us by you will remain confidential and be used for the purpose of providing insurance broking services to you, or to others where we are required to fulfil a regulatory or legal obligation and as set out in our Privacy and Fair Processing Policy. This means that your personal information will be used to process your policy, understand your needs and improve our services. It may be shared with third parties where required to do so for us to provide our services to you, or where we have appointed third parties to manage our business. Where you have agreed, or in circumstances where to do so will be in our mutual interests, we may contact you to provide you with information about insurance products and services that we have assessed to be of interest to you to protect your risks and exposures.

You can opt out from receiving such communications by contacting us.

In your dealings with us you may provide us with information that may include data that is known as personal data. Where we process personal data, we comply with statutory data processing requirements as set out by the Data Protection Act 2018. The personal data we will collect may include information relating to your name, address, date of birth, health or criminal offences. In processing personal data for insurance purposes about health or criminal offences, we will only do so to enable us to provide our service to you and on the basis of it being in the public interest.

The Data Protection Act 2018 provides you with Access Rights that allow you to gain an understanding on the data being processed, who we share it with, for what purpose, why we need to retain it and retention periods, to object to the processing and to place restrictions on the processing, to request copies of your data and to request the deletion of your data. Contact us if you require further information on how we process your data or you wish to exercise your rights. How we process your personal data is detailed further within our Privacy & Fair Processing Policy, which can be accessed via our website at www.suttonwinson.com or a paper copy can be provided on request.

Nothing in the agreement overrides our duty to place the interests of our client before all other considerations nor shall this agreement override any statutory legislative or regulatory requirements (whether obligatory or advisory) which may apply to us.

Information provided to you by us by way of reports and publications constitutes confidential and proprietary information belonging to us and may only be disclosed and/or used in accordance with permission granted by us. Any other disclosure and/or use is strictly prohibited and we reserve the rights amongst others, to take such action as is necessary to protect our confidential and proprietary information.

Please note that English Law recognises the existence of an implied contract of insurance permitting insurers to inspect certain documents which we hold as your broker. Some insurers have slightly wider access than others. You should be aware that the right to inspect does not depend on your prior consent having been given.

Depending on the circumstances of the insurance contract, we may need to transfer data outside of the jurisdiction of the European Economic Area. Your personal information may also be used for crime prevention.

18. HOW WE HANDLE YOUR (CLIENT) MONEY

We are governed by strict rules regulating Client Money set down by the FCA. Monies paid by you to us, or received by us to be paid to you, will be held in Statutory Trust bank accounts. Where we hold monies in Statutory Trust bank accounts we may earn interest on monies held which will be retained by us.

Client Money (Statutory Trust)

We hold the majority of our Client Money in Statutory Trust Bank accounts. This means that Client Money is held separately from our own money in accounts with an approved bank and designated as Statutory Trust accounts. We act as trustees of Client Money and must meet certain legal and regulatory conditions. We are not permitted to, and do not, use Client Money balances to provide credit for other clients or potential clients.

The majority of Client Money held by us is held as agent of insurers. This means that premiums are treated as being received by insurers when received in our bank account and that any claims money or premium refund is treated as received by you when it is actually paid over to you. Advise us if you wish to know whether your premium will be held by us as agent of an insurer.

Payments to Third Parties

We may transfer Client Money to another person, such as another broker or settlement agent, for the purposes of effecting a transaction on your behalf.

On occasions, Client Money may be passed to organisations outside the UK. The legal and regulatory regime applying outside the UK may be different from that of the UK and, in the event of failure of a third party outside the UK, this money may be treated in a different manner from that which would apply if the money were held by a third party organisation in the UK. You may notify us if you do not wish your money to be passed to a party in a particular jurisdiction.

19. INSURER SOLVENCY

We subscribe to one of the major credit rating agencies, Standard & Poors, and receive regular updates regarding insurer solvency.

We take all reasonable steps to place your insurance with an insurer capable of meeting its future liabilities. However, we cannot guarantee the solvency of any insurer or be held responsible for any additional costs that may be incurred in replacing cover with an alternative insurer.

Where permissible, we shall continue to perform our obligations in accordance with the terms of this Agreement during the notice period unless otherwise agreed with you and provide all reasonable assistance to facilitate an orderly transfer of your insurances to another insurance provider. Notice of termination of our services does not affect your insurance contract(s) with insurer(s) including its expiry or renewal date.

In the event our services are terminated by you, we will be entitled to receive any and all fees (including fees agreed in a long term agreement) or brokerage payable (whether or not the same have been received by us) in relation to all policies placed or due to be placed by us.

OUR REVENUE STATEMENT

This document provides you with information on how we generate our revenue in order to operate our business and develop our people so that we can deliver our professional services to you.

Fee

The majority of our larger commercial customers pay by way of a fee. If paying by fee we will negotiate a price with you to reflect the service and work that we undertake for you. The amount charged will be very much dependent on the level of service you want from us and the people within our business that work on your account. Fees are negotiated annually or can be subject to a longer term agreement.

Commission

For all other customers we are paid a commission by the insurer. The commission paid to us by the insurer will be a percentage of the premium you pay for the policy.

You are entitled, at any time, to request information regarding any commission which we may have received as a result of placing your insurance policy.

Refunds of Commission or Fees

No refunds of commission or fees will be allowed following cancellation of any policy unless otherwise agreed by us in writing.

Additional Charges and Fees

We reserve the right to make additional charges or fees for arranging, renewing, amending and cancelling any policy of insurance, as well as assisting you with claims including large and complex losses. Any such charges will always be clearly identified and will be a fair and reasonable price to reflect the work we are required to undertake on your behalf.

Business Deals

We have relationships with over 100 different insurance providers, so we should be able to find you a policy that suits your requirements. A small number of these insurers do provide us with additional payments based upon business deal arrangements.

These companies are:

Allianz, Amlin, Aviva, AXA, BMS Group, Chubb, Covea, Hiscox, NMU, QBE, RSA, Travelers, Zurich

Criteria for Payment under these deals include; the total premium volume placed with the insurer and/or underwriting performance of our overall account (e.g. total claims paid out are significantly less than total annual premium received).

We also have a business deal with Premium Credit (premium financing company), who pay us a commission for introducing clients to their premium finance facility.

Conflict of Interest Policy

Our commitment and promise to you is that these arrangements will not affect the recommendations we make to you which remain wholly based on offering you the right policy, with the right insurer to match your insurance requirements at the right price. In addition we will also make sure that you receive the appropriate claim settlement if you suffer a loss.

We have internal procedures to ensure that any potential conflict of interest is minimised or eliminated and there is no undue influence on the recommendations we or our people make and our claims team work in your best interests.

This is regularly reviewed at Board and Compliance meetings to make sure that we adhere to our promises and values.
