Safeguarding Training – Bursary Application Form

Bowls England will reimburse all successful applicants 50 per cent of the relevant course fee. The cheque will be made payable directly to the affiliated club which is supporting the application. Payment will be made when the applicant has successfully completed the training and returns this form together with a copy of the invoice and relevant certificate.

Please note due to expected demand only one application per year (ending 30th September annually) will be supported per affiliated club or county association. The decision of the Bowls England awarding panel on all applications will be final and no correspondence will be entered into.
