

Civil Liability Protection

Bowls England

1st April 2021 – 31st March 2022

When things happen that are out of your control, it's important to have the right insurance in place – protecting you, your Club and your members from the unexpected.

Bowls England has entrusted us to provide Civil and Employers' Liability to its affiliated Clubs and organisations. This policy, amongst other benefits, includes:

- › Wider protection than a standard Public Liability policy
- › Directors and Officers Liability, including Trustees
- › No additional hidden fees
- › Low cost premium of £95* (including an administration fee of £18).
*including Insurance Premium Tax at 12%.

What is civil liability insurance and how does it protect your Club, association, committee and your members?

The cover is designed for affiliated Clubs, Counties, Associate Members and Groups of Bowls England and governed by Bowls England rules and regulations.

If you're a Bowls England member (i.e. player, coach, official, volunteer or casual helper) you have a responsibility to ensure your actions do not cause injury or financial loss to others or damage to property. If you do and negligence is proven, you could become legally liable to pay compensation.

This policy could cover all manner of costs, including, damages claimed, legal fees and other costs associated with defending a liability case.

'Closed' and 'invitation' tournaments arranged by you at your premises are automatically covered. 'Open' events are subject to an additional premium of £16.00 - £26.00* (depending on the numbers of non-affiliated entrants). Please contact us to arrange this insurance ahead of your tournament.
